

Wildlife and Grasslands Seminar

About

Sponsored by CGS, SNR and PBT. Topics include diverse taxa (pollinators, bison, waterfowl, cranes, predators) and diverse perspectives (wildlife science, paleontology, ranching, Native American). The series will also showcase short films from current and past PBT students. Register for 1 credit under either NRES or GRAS. The catalog lists Junior standing as a prereq, but we welcome ALL undergrads.

GRAS/NRES 495 (1 cr)
Fall 2024

Time: Mondays 3:30-5:00

Location: Hardin Hall 107
