

# Direct Hire Job Vacancy Opportunities

Nebraska NRCS Hiring Statewide

## Jobs Opening Soon

The Natural Resources Conservation Service (NRCS) will soon be hiring the following positions in these locations across the state.

If you've applied for a job with NRCS in the past, this round of vacancy announcements are a little different. These positions will be filled using a process called "direct hire," which is used to bring on new employees more quickly. The following job opportunities will soon be advertised on [USAJobs.gov](https://www.usajobs.gov).

### Agricultural Engineer

To qualify, applicants must have a bachelor's degree or higher in engineering with an emphasis in agricultural, environmental, or civil engineering. Job openings available in:

- O'Neill
- North Platte
- Kearney
- York
- Ord

### Biologist/Wetland Specialist

To qualify, applicants must have a bachelor of science degree in biological science, agriculture, natural resources, or related disciplines. Job openings available in:

- Ord
- Wayne
- Lincoln
- St. Paul

### Soil Conservationist

To qualify, applicants must have bachelor's degree or higher that includes a major field of study (including 300 level courses) in soil conservation or a related agricultural or natural resource discipline such as agronomy, soil science, forestry, agricultural education, or agricultural engineering. Job openings available in:

- Burwell
- Clay Center
- Falls City
- Hartington
- Hastings
- Imperial
- Kearney
- Lexington
- Norfolk
- Oshkosh
- Ponca
- Scottsbluff
- St. Paul
- Tekamah
- Wahoo

These vacancies should be announced very soon. Check the USAJobs website frequently since applications are accepted over a very short time period.
